NOTICE.—With reference to the London Post Master General's Notification regarding the rates of postage to be charged upon Letters received from Bombay by the Government Express, which was published with a notice from this Office of yesterday's date, the following Letter since received from the Post Master General of Bombay on the subject, is also published for general information.

*No. 966 of 1847.*

*General Department.*

To W. TAYLER, Esquire,  
*Post Master General, Calcutta.*

SIR,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your con-

sideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the *limited weight of two tolas*; and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by the Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters *exceeding two tolas in weight*, because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 *tolas*, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, *without reference to that limit*, and shall continue the practice until I receive orders to the contrary from Government or the Home Authorities.

I have, &c.

The Accommodation Boat "Soorma," in tow of the Steamer "Berhampooter," will be despatched to the North Western Provinces on the 20th instant, at 8 A. M., via the Sunderbunds.

Applications for Freight and Passage to be made at the Office of the Controller of Government Steam Vessels.

By order of the Superintendent of Marine,  
J. WOODLEY,  
Clerk of the Govt. Boat Office.  
Steam Department, the 12th October, 1847.

No. 4130.

## STEAM TO DACCA AND GOWAHUTTEE IN ASSAM.

GOVERNMENT having decided on opening a Steam Communication with Gowahuttee in Assam *via* Dacca and Serajgunge, notice is hereby given, that the first boats for this line, a Steamer and a Flat, will be despatched on the 13th Proximo; and the communication be continued Monthly for THREE YEARS.

The following Regulations and Rates of Charge for accommodation of Passengers, and conveyance of Goods on the Government Boats employed in the above Navigation, are published for general information:

### Of Passage.

All applications for Passage on the Government Boats proceeding to Dacca and Assam, must be made at the Boat Office in Calcutta, and all applications for Cabins on the Boats returning from Assam, must be made to the Steam Boat Agent at the nearest place to that of embarkation.

The distance between Calcutta and Gowahuttee is assumed to be 600 miles, and the distance from Calcutta to the different Stations as follows:

Burrisaul, .....	200 Miles.
Dacca, .....	300 "
Seraj Gunge, .....	400 "
Dewan Gunge, .....	450 "
Bugwah, .....	500 "
Gowalpara, .....	550 "
Gowahuttee, .....	600 "

An Accommodation or a Cargo Boat will be employed in this line, as far as Dacca, the Steamer only going on to Gowahuttee until the demand for freight to and from places above Dacca is more than a Steamer can supply. In the first there are 3 classes of Cabins, but there will be no distinction in the charge, and the preference in the selection will be given to those who engage for the longest distances or otherwise, according to priority of application.

To Burrisaul or Dacca the charge will be Seventy-five Rupees, to Gowahuttee One Hundred and Fifty Rupees, or at the rate of Twenty-five Rupees for every 100 miles, of the estimated distance according to which the passage for intermediate distances will be rated.

One Servant is allowed to each Cabin occupied by one person, but if a Cabin be occupied by more than one person, an additional charge will be made of Nine Rupees, which will entitle the Cabin to a second Servant. All other extra Servants will be considered as Deck Passengers, the charge for which will be half an Anna per mile, or Eighteen Rupees Twelve Annas from Calcutta to Gowahuttee; Deck Passengers will pay Eighteen Rupees to Gowahuttee, or half an Anna a mile for any shorter distance.

The charge for passage on return voyages will be the same as above.

Passengers are allowed to carry such Baggage and Cabin Furniture within their Cabins as is necessary for the voyage; and this may include a Piano if required for use during the voyage and not in a packing case: but Pianos in packing cases and all other packages, as cases of Millinery, Saddlery, Glass and Earthen-ware, Beer and Wines, and other Stores, will be stowed in another part of the vessel; and to the extent of half a ton, or 25 cubic feet, be charged for at half the established rate of Freight; all in excess of half a ton will be charged at the full rate of Freight.

Deck Passengers are allowed one Roll of Bedding 2 feet wide, and a box of six cubic feet solid contents.

A Table is provided by the Commander at Four Rupees per Diem for each person, exclusive of Wines and Beer, which if provided by the Commander, are charged at regulated prices, of which a list is exhibited in the Dining Room, and all Refreshments required between the regular meals of Breakfast at  $\frac{1}{4}$  past 8, Biscuit, &c. at noon, Dinner at 3 p. m., and Tea and Coffee in the evening. Persons who provide their own Wines, will pay 3 annas for each cork drawn.

Children who do not come to the Table are provided at One Rupee per day, the same charge is made for Christian Servants.

Mussulman Servants may feed with the Crew, paying a rate of Two Annas per day. Hindoos must provide their own food.

The Passage Money, and a deposit of Four Rupees per day for the estimated term of the voyage, must be paid on engaging a passage, and any surplus of Table Money will be returned, or an additional charge be made by the Commander, as the voyage may fall short of or exceed the time for which the deposit was calculated. Half the Passage Money, and half the Table Money become forfeit by persons who relinquish a passage after having engaged it.

The despatch of Boats will be duly advertized, and if any change in the Boats occurs, Accommodation or Freight engaged for the one advertized, will be assigned on the one substituted.

#### Of Freight.

All Goods intended for shipment on the Government Boats must be sent to the Boat Office, in Church Lane, Calcutta, between the hours of Ten and Four, Sundays, Christmas Days, and Good Fridays excepted.

Goods will not be received for shipment unless they be addressed to a resident at the place at which they are to be delivered from the Boats. The direction must be marked on something not liable to be destroyed by vermin, and from which it may not easily be obliterated. A direction written on a card or marked with ink on a tin box, would be liable to the above objection.

The Boat Office will not be responsible for any damage or loss that may be occasioned by accident to the vessel or other cause whatever, not traceable to negligence or mismanagement of those belonging to the vessel.

All Goods sent to the Boat Office must be accompanied by a note, with suitable direction for the guidance of the Officers of the Department.

Goods not applied for on board the Boat by the Consignee, will be carried on and charged with additional freight, unless addressed to the Steam Agent, in which case they will be delivered to him. It must be understood, however, that although all persons are at liberty to consign their goods to the Steam Agent of the stations at which they are to be landed, the Government is not responsible for such Steam Agent, or for the safety of the goods after the delivery of the same to the Consignee or to his order, whether such Consignee be the Steam Agent or any other person. Goods intended for the final station, if not applied for within 24 hours after the Boat's arrival there, will be delivered to the Steam Agent at the risk of the shipper.

Freight on all Packages, excepting Treasure laden in Calcutta, or for which tonnage is reserved in Calcutta, and which do not exceed in weight 35 lbs. per cubic foot, will be charged by the cubic foot.

Packages exceeding thirty-five pounds, or 17 seers per cubic foot, will be charged by the weight

The Steam Agents at the different Stations make no charge for landing Goods from the Boats into their Godowns; nor for shipping Goods delivered into their Godowns, provided such Goods are not merchandise, intended for traffick, nor animals nor machines for conveyance; for all such they will charge the following rates:

# CONDITIONS OF SALE.

1st.—The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2d.—The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price; except under the circumstances for which provision is made by Clause 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M.; but if at that hour any of the lots advertised for Sale shall remain unsold, the Sale may at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,610 Chests shall not be sold on the day advertised, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down, shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Wednesday, the 1st December 1847; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all loss and expences whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 1st December 1847, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 1st December, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday the 14th December 1847, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first Purchaser

shall further be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bona fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the years 1846-47, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of the chests indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertised for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity above mentioned, the following quantities more or less of Behar and Benares Opium of 1846-47, will be brought to sale in the present season on or about the dates specified below :

NOTICE.—With reference to the London Post Master General's Notification regarding the rates of postage to be charged upon Letters received from Bombay by the Government Express, which was published with a notice from this Office of yesterday's date, the following Letter since received from the Post Master General of Bombay on the subject, is also published for general information.

To W. TAYLER, Esquire,

Post Master General, Calcutta.

SIR,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the limited weight of two tolas; and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to ad-

mit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by the Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters exceeding two tolas in weight, because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail,) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 tolas, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, without reference to that limit, and shall continue the practice until I receive orders to the contrary from Government or the Home Authorities.

I have, &c.

By order of the Superintendent of Marine,

J. WOODLEY,

Clerk of the Govt. Boat Office.

Steam Department, the 13th October, 1847.

No. 4130.

#### STEAM TO DACCA AND GOWAHUTTEE IN ASSAM.

GOVERNMENT having decided on opening a Steam Communication with Gowahuttee in Assam via Dacca and Serajgunge, notice is hereby given, that the first boats for this line, a Steamer and a Flat, will be despatched on the 13th Proximo; and the communication be continued Monthly for THREE YEARS.

The following Regulations and Rates of Charge for accommodation of Passengers, and conveyance of Goods on the Government Boats employed in the above Navigation, are published for general information:

##### Of Passage.

All applications for Passage on the Government Boats proceeding to Dacca and Assam, must be made at the Boat Office in Calcutta, and all applications for Cabins on the Boats returning from Assam, must be made to the Steam Boat Agent at the nearest place to that of embarkation.

The distance between Calcutta and Gowahuttee is assumed to be 600 miles, and the distance from Calcutta to the different Stations as follows:

Burrisaul,.....	200 Miles.
Dacca, .....	300 "
Seraj Gunge,.....	400 "
Dewan Gunge,.....	450 "
Bugwah,.....	500 "
Gowalpara,.....	550 "
Gowahuttee,.....	600 "

An Accommodation or a Cargo Boat will be employed in this line, as far as Dacca, the Steamer only going on to Gowahuttee until the demand for freight to and from places above Dacca is more than a Steamer can supply. In the first there are 3 classes of Cabins, but there will be no distinction in the charge, and the preference in the selection will be given to those who engage for the longest distances or otherwise, according to priority of application.

To Burrisaul or Dacca the charge will be Seventy-five Rupees, to Gowahuttee One Hundred and Fifty Rupees, or at the rate of Twenty-five Rupees for every 100 miles, of the estimated distance according to which the passage for intermediate distances will be rated.

One Servant is allowed to each Cabin occupied by one person, but if a Cabin be occupied by more than one person, an additional charge will be made of Nine Rupees, which will entitle the Cabin to a second Servant. All other extra Servants will be considered as Deck Passengers, the charge for which will be half an Anna per mile, or Eighteen Rupees Twelve Annas from Calcutta to Gowahuttee; Deck Passengers will pay Eighteen Rupees to Gowahuttee, or half an Anna a mile for any shorter distance.

The charge for passage on return voyages will be the same as above.

Passengers are allowed to carry such Baggage and Cabin Furniture within their Cabins as is necessary for the voyage; and this may include a Piano if required for use during the voyage and not in a packing case: but Pianos in packing cases and all other packages, as cases of Millinery, Saddlery, Glass and Earthen-ware, Beer and Wines, and other Stores, will be stowed in another part of the vessel; and to the extent of half a ton, or 25 cubic feet, be charged for at half the established rate of Freight; all in excess of half a ton will be charged at the full rate of Freight.

Deck Passengers are allowed one Roll of Bedding 2 feet wide, and a box of six cubic feet solid contents.

A Table is provided by the Commander at Four Rupees per Diem for each person, exclusive of Wines and Beer, which if provided by the Commander, are charged at regulated prices, of which a list is exhibited in the Dining Room, and all Refreshments required between the regular meals of Breakfast at  $\frac{1}{4}$  past 8, Biscuit, &c. at noon, Dinner at 3 P. M., and Tea and Coffee in the evening. Persons who provide their own Wines, will pay 3 annas for each cork drawn.

Children who do not come to the Table are provided at One Rupee per day, the same charge is made for Christian Servants.

Mussulman Servants may feed with the Crew, paying a rate of Two Annas per day. Hindoos must provide their own food.

The Passage Money, and a deposit of Four Rupees per day for the estimated term of the voyage, must be paid on engaging a passage, and any surplus of Table Money will be returned, or an additional charge be made by the Commander, as the voyage may fall short of or exceed the time for which the deposit was calculated. Half the Passage Money, and half the Table Money become forfeit by persons who relinquish a passage after having engaged it.

The despatch of Boats will be duly advertized, and if any change in the Boats occurs, Accommodation or Freight engaged for the one advertized, will be assigned on the one substituted.

#### Of Freight.

All Goods intended for shipment on the Government Boats must be sent to the Boat Office, in Church Lane, Calcutta, between the hours of Ten and Four, Sundays, Christmas Days, and Good Fridays excepted.

Goods will not be received for shipment unless they be addressed to a resident at the place at which they are to be delivered from the Boats. The direction must be marked on something not liable to be destroyed by vermin, and from which it may not easily be obliterated. A direction written on a card or marked with ink on a tin box, would be liable to the above objection.

The Boat Office will not be responsible for any damage or loss that may be occasioned by accident to the vessel or other cause whatever, not traceable to negligence or mismanagement of those belonging to the vessel.

All Goods sent to the Boat Office must be accompanied by a note, with suitable direction for the guidance of the Officers of the Department.

Goods not applied for on board the Boat by the Consignee, will be carried on and charged with additional freight, unless addressed to the Steam Agent, in which case they will be delivered to him. It must be understood, however, that although all persons are at liberty to consign their goods to the Steam Agent of the stations at which they are to be landed, the Government is not responsible for such Steam Agent, or for the safety of the goods after the delivery of the same to the Consignee or to his order, whether such Consignee be the Steam Agent or any other person. Goods intended for the final station, if not applied for within 24 hours after the Boat's arrival there, will be delivered to the Steam Agent at the risk of the shipper.

Freight on all Packages, excepting Treasure laden in Calcutta, or for which tonnage is reserved in Calcutta, and which do not exceed in weight 35 lbs. per cubic foot, will be charged by the cubic foot.

Packages exceeding thirty-five pounds, or  $17\frac{1}{2}$  seers per cubic foot, will be charged by the weight.

Freight on Copper Coins will be charged by the weight at 8 Pie per lb. from Calcutta—and down and intermediately, the same as on weighable Goods.

Treasure is deliverable to the Bill of Lading only, and parties neglecting to apply for Treasure will be subjected to additional Freight for the distance it may become necessary to carry it in consequence of their negligence.

Applications for Freight on the Vessel downward must be made to the Steam Boat Agent at Gowahuttee or Seraj Gunge, or at the nearest Station, by letter, describing the Goods to be despatched, their weight and measurement.

The Steam Agent will in reply, name the Boat in which he assigns tonnage, and if from any cause, as damage to the Boat, deviation from her intended voyage on unexpected demand on account of Government, a circumstance likely seldom to occur, the tonnage should be rendered non-available, the party for whom such tonnage has been registered must bear the inconvenience, and he will have no claim for indemnification by assignment of Freight in another Vessel to the detriment of any other person who may have engaged tonnage subsequently to the disappointed party, whose right to tonnage will be limited to such as may be available in the Vessel previously named, but in that Vessel, the claim to such tonnage as may remain available will be acknowledged according to priority of application. Thus the entire tonnage of a Boat may have been assigned in rotation by the Steam Agent to A. B. and C., after which the Government unexpectedly make a demand for more or less, the remaining portion will go to satisfy the claim of A. then of B. &c. The latter applications being thrown out partially or wholly, as the case may be.

The Agent will be instructed to acknowledge the applications made to him for tonnage in the following terms:—"Sir, in reply to your letter of the                    I beg to say tonnage for chests of Indigo and                    maunds of Sugar is assigned to you on the                    Registered No. of application."

The Agent is instructed to keep a correct Register of daily assignments, and to transmit a copy daily to the Controller of Steam Vessels.

The Boats will make the following stoppages, at different stations, during daylight :

At Burrissaul, . . . . .	3 hours.
" Dacca, . . . . .	4 ditto.
" Seraj Gunge, . . . . .	4 ditto.
" Dewan Gunge, . . . . .	8 ditto.
" Bugwah, . . . . .	8 ditto.
" Gowaipara, . . . . .	3 ditto.
" Gowahuttee, . . . . .	48 ditto, clear.

Should Freight not be ready for shipment on the arrival of the Boat at the several stations, the Commander of the Steamer will have peremptory orders to proceed to the next Station.

Treasure laden on a Boat whose progress is arrested, will be retained on board until the Boat is enabled to proceed to her destination, unless the Consignees holding the Bill of Lading of such Treasure may require its delivery, giving a full acquittance for the Treasure, and receiving such difference of Freight as may have been paid in excess of what would have been charged for conveyance of such Treasure to the place of its delivery.

The Steam Agents at the different Stations make no charge for landing Goods from the Boats into their Godowns; nor for shipping Goods delivered into their Godowns, provided such Goods are not merchandise, intended for traffick, nor animals nor machines for conveyance; for all such they will charge the following rates:

For embarking or landing a Horse, Cow or Bull, Rs. 2.

Freight must be paid to the Agent or Commander of the Boat for all Goods shipped away from Calcutta, and not deliverable at Calcutta. And no Packages will be received into the Boat Office for transmission on which Freight is not paid at the time.

2d.—The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price, except under the circumstances for which provision is made by Clause 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M.; but if at that hour any of the lots advertised for Sale shall remain unsold, the Sale may at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,610 Chests shall not be sold on the day advertised, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down, shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Wednesday, the 1st December 1847; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all loss and expences whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 1st December 1847, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 1st December, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday the 14th December 1847, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first Purchaser shall further be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the

delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1.—Certificate of the Opium now advertised for Sale.

No. 2.—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the years 1846-47, the same precautions have been taken as those which have been

observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of the chests indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertised for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity above mentioned, the following quantities more or less of Behar and Benares Opium of 1846-47, will be brought to sale in the present season on or about the dates specified below:

*General Order by the Right Hon'ble the Governor General.*

*Simla.*—His Excellency, Lieutenant General Sir Charles Napier, G. C. B., having tendered to the Right Hon'ble the Governor General of India his resignation of the office of Governor of the Province of Sind, His Lordship desires to express the regret he feels in losing the services of so distinguished and valuable an Officer.

The Governor General most cordially acknowledges the sense he entertains of the just, firm and able manner in which His Excellency has conducted the Civil Administration of the Province entrusted to his charge. This important and difficult duty has been performed with an ability which justifies the unlimited confidence which His Lordship has reposed in Sir Charles Napier, a name gloriously pre-eminent as the Leader of the Forces which achieved the victories of Meanee and Hyderabad.

The Lieutenant General will, after a long, brilliant and honorable career in the Public Service retire from the Government of Sind, having in the course of his service in India received the approbation of the Government he has served,—the thanks of the British Parliament, and been honoured by a distinguished mark of his Sovereign's favor.

No. 966 of 1847.

*General Department.*

To W. TAYLER, Esquire,  
*Post Master General, Calcutta.*

SIR,—Adverting to, my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimat-

ing to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the *limited weight of two tolas*; and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by the Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters exceeding two tolas in weight, because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail,) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 tolas, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, without reference to that limit, and shall continue the practice until I receive orders to the contrary from Government or the Home Authorities.

I have, &c.

No. 5379.  
PILOT'S TRIAL.

AT a Court assembled on Monday, the Thirteenth day of September, One Thousand Eight Hundred and Forty-seven, under Act 24 of 1845. Mr. Mate Pilot George Benjamin Mackay was tried on the following Charges :

*First Charge.*—For having through ignorance or negligence in the performance of his duty whilst in Pilotage Charge of the Brig "Queen," Captain N. Pike, caused the said vessel to take the ground on the Auckland Ridge, on the afternoon of the 28th of August 1847, whereby she immediately became a total wreck.

*Second Charge.*—For having through negligence or inattention on the afternoon of the said 28th of August 1847, while in Pilotage Charge as aforesaid, caused the said Brig "Queen" to run over and force away from its position in the Auckland Channel, the Buoy laid to mark the place of the wreck of the Barque "Dorothea."

By order of the Superintendent of Marine,  
(Sd.) JAS. SUTHERLAND, *Secretary.*

Fort William, the 6th September, 1845.

*Finding.*—The Court having maturely weighed and considered the evidence brought forward in support of the prosecution, together with that adduced on the defence, is of opinion that the defendant Mr. First Mate Pilot George Benjamin Mackay is Not Guilty of the First Charge, and do therefore acquit him of the said Charge.

Guilty of the Second Charge.

*Sentence.*—The Court having found the defendant Guilty as above specified, do adjudge him, the said Mr. First Mate Pilot George Benjamin Mackay to lose two steps.

(Sd.) HENRY PIDDINGTON, *President.*

Fort William, Master Attendant's }  
Office, the 21st September, 1847. }

(Sd.) H. HOWE, *Judge Advocate.*

\*  
REMARKS.

1st. The Court desires to remark that it attributes the loss of the Brig *Queen*, to Mr. Mackay's being pardonably over-anxious to push on, and save time and expense to the Owners of a small vessel, and that in so doing he attempted to cross the Auckland Ridge, a most dangerous and treacherous part of the river, under circumstances which though not justifiable, do not amount to the negligence or ignorance charged.

2nd. The Court would respectfully beg to suggest for the consideration of Government and the Marine Authorities, whether it might not be possible to have a Row Boat properly fitted, kept riding in the Auckland Channel, at least in moderate weather, as at Hooghly Point.

(Sd.) H. PIDDINGTON, *President.*

The Proceedings having been submitted to Government, His Honor the Deputy Governor of Bengal has been pleased to approve of the Court's decision on the First Charge, but intimated at the same time that he cannot confirm the Finding on the Second, as he is not satisfied with the proof adduced in support of it. The Officiating Master Attendant has accordingly been directed to release Mr. Mate Pilot George Benjamin Mackay, from arrest, and to allow him to return to his duty.

By order of the Superintendent of Marine,  
JAS. SUTHERLAND, *Secretary.*

No. 4130.  
STEAM TO DACCA AND GOWAHUTTEE  
IN ASSAM.

GOVERNMENT having decided on opening a Steam Communication with Gowahuttee in Assam via Dacca and Serajgunge, notice is hereby given, that the first boats for this line, a Steamer and a Flat, will be despatched on the 13th Proximo; and the communication be continued Monthly for THREE YEARS.

The following Regulations and Rates of Charge for accommodation of Passengers, and conveyance of Goods on the Government Boats employed in the above Navigation, are published for general information :

*Of Passage.*

All applications for Passage on the Government Boats proceeding to Dacca and Assam, must be made at the Boat Office in Calcutta, and all applications for Cabins on the Boats returning from Assam, must be made to the Steam Boat Agent at the nearest place to that of embarkation.

The distance between Calcutta and Gowahuttee is assumed to be 600 miles, and the distance from Calcutta to the different Stations as follows :

Burrisaul,.....	200 Miles.
Dacca,.....	300 "
Seraj Gunge,.....	400 "
Dewan Gunge,.....	450 "
Bugwah,.....	500 "
Gowalpara,.....	550 "
Gowahuttee,.....	600 "

An Accommodation or a Cargo Boat will be employed in this line, as far as Dacca, the Steamer only going on to Gowahuttee until the demand for freight to and from places above Dacca is more than a Steamer can supply. In the first there are 3 classes of Cabins, but there will be no distinction in the charge, and the preference in the selection will be given to those who engage for the longest distances or otherwise, according to priority of application.

To Burrisaul or Dacca the charge will be Seventy-five Rupees, to Gowahuttee One Hundred and Fifty Rupees, or at the rate of Twenty-five Rupees for every 100 miles, of the estimated distance according to which the passage for intermediate distances will be rated.

One Servant is allowed to each Cabin occupied by one person, but if a Cabin be occupied by more than one person, an additional charge will be made of Nine Rupees, which will entitle the Cabin to a second Servant. All other extra Servants will be considered as Deck Passengers, the charge for which will be half an Anna per mile, or Eighteen Rupees Twelve Annas from Calcutta to Gowahuttee; Deck Passengers will pay Eighteen Rupees to Gowahuttee, or half an Anna a mile for any shorter distance.

The charge for passage on return voyages will be the same as above.

Passengers are allowed to carry such Baggage and Cabin Furniture within their Cabins as is necessary for the voyage; and this may include a Piano if required for use during the voyage and not in a packing case: but Pianos in packing cases and all other packages, as cases of Millinery, Saddlery, Glass and Earthen-ware, Beer and Wines, and other Stores, will be stowed in another part of the vessel; and to the extent of half a ton, or 25 cubic feet, be charged for at half the established rate of Freight; all in excess of half a ton will be charged at the full rate of Freight.

Deck Passengers are allowed one Roll of Bedding 2 feet wide, and a box of six cubic feet solid contents.

A Table is provided by the Commander at Four Rupees per Diem for each person, exclusive of Wines and Beer, which if provided by the Commander, are charged at regulated prices, of which a list is exhibited in the Dining Room, and all Refreshments required between the regular meals of Breakfast at  $\frac{1}{4}$  past 8, Biscuit, &c. at noon, Dinner at 3 p. m., and Tea and Coffee in the evening. Persons who provide their own Wines, will pay 3 annas for each cork drawn.

Children who do not come to the Table are provided at One Rupee per day, the same charge is made for Christian Servants.

Mussulman Servants may feed with the Crew, paying a rate of Two Annas per day. Hindoos must provide their own food.

The Passage Money, and a deposit of Four Rupees per day for the estimated term of the voyage, must be paid on engaging a passage, and any surplus of Table Money will be returned, or an additional charge be made by the Commander, as the voyage may fall short of or exceed the time for which the deposit was calculated. Half the Passage Money, and half the Table Money become forfeit by persons who relinquish a passage after having engaged it.

The despatch of Boats will be duly advertized, and if any change in the Boats occurs, Accommodation or Freight engaged for the one advertized, will be assigned on the one substituted.

#### Of Freight.

All Goods intended for shipment on the Government Boats must be sent to the Boat Office, in Church Lane, Calcutta, between the hours of Ten and Four, Sundays, Christmas Days, and Good Fridays excepted.

Goods will not be received for shipment unless they be addressed to a resident at the place at which they are to be delivered from the Boats. The direction must be marked on something not liable to be destroyed by vermin, and from which it may not easily be obliterated. A direction written on a card or marked with ink on a tin box, would be liable to the above objection.

The Boat Office will not be responsible for any damage or loss that may be occasioned by accident to the vessel or other cause whatever, not traceable to negligence or mismanagement of those belonging to the vessel.

All Goods sent to the Boat Office must be accompanied by a note, with suitable direction for the guidance of the Officers of the Department.

Goods not applied for on board the Boat by the Consignee, will be carried on and charged with additional freight, unless addressed to the Steam Agent, in which case they will be delivered to him. It must be understood, however, that although all persons are at liberty to consign their goods to the Steam Agent of the stations at which they are to be landed, the Government is not responsible for such Steam Agent, or for the safety of the goods after the delivery of the same to the Consignee or to his order, whether such Consignee be the Steam Agent or any other person. Goods intended for the final station, if not applied for within 24 hours after the Boat's arrival there, will be delivered to the Steam Agent at the risk of the shipper.

Freight on all Packages, excepting Treasure laden in Calcutta, or for which tonnage is reserved in Calcutta, and which do not exceed in weight 35lbs. per cubic foot, will be charged by the cubic foot.

Packages exceeding thirty-five pounds, or  $17\frac{1}{2}$  seers per cubic foot, will be charged by the weight.

#### Dispatch of Boats, and probable dates of Arrival at different Places.

It is intended that the Boats shall leave Calcutta the 13th of every month, except when the 13th falls on a Sunday, when they will be dispatched on the 12th. The following is the estimated time the Boats will take, and the date on which they will probably arrive at the different Stations up and down, leaving Calcutta on the 13th to get back there, by the 9th the boats will reach—

Freight on Copper Coins will be charged by the weight at 8 Pie per lb. from Calcutta—and down and intermediately, the same as on weighable Goods.

Treasure is deliverable to the Bill of Lading only, and parties neglecting to apply for Treasure will be subjected to additional Freight for the distance it may become necessary to carry it in consequence of their negligence.

Applications for Freight on the Vessel downward must be made to the Steam Boat Agent at Gowahuttee or Seraj Gunge, or at the nearest Station, by letter, describing the Goods to be despatched, their weight and measurement.

The Steam Agent will in reply, name the Boat in which he assigns tonnage, and if from any cause, as damage to the Boat, deviation from her intended voyage on unexpected demand on account of Government, a circumstance likely seldom to occur, the tonnage should be rendered non-available, the party for whom such tonnage has been registered must bear the inconvenience, and he will have no claim for indemnification by assignment of Freight in another Vessel to the detriment of any other person who may have engaged tonnage subsequently to the disappointed party, whose right to tonnage will be limited to such as may be available in the Vessel previously named, but in that Vessel, the claim to such tonnage as may remain available will be acknowledged according to priority of application. Thus the entire tonnage of a Boat may have been assigned in rotation by the Steam Agent to A. B. and C., after which the Government unexpectedly make a demand for more or less, the remaining portion will go to satisfy the claim of A. then of B. &c. The latter applications being thrown out partially or wholly, as the case may be.

The Agent will be instructed to acknowledge the applications made to him for tonnage in the following terms:—"Sir, in reply to your letter of the            I beg to say tonnage for chests of Indigo and            maunds of Sugar is assigned to you on the            Registered No. of application."

The Agent is instructed to keep a correct Register of daily assignments, and to transmit a copy daily to the Controller of Steam Vessels.

The Boats will make the following stoppages, at different stations, during daylight :

At Burrissaul,	.	.	.	3	hours.
" Dacca,	.	.	.	4	ditto.
" Seraj Gunge,	.	.	.	4	ditto.
" Dewan Gunge,	.	.	.	3	ditto.
" Bugwah,	.	.	.	3	ditto.
" Gowaipara,	.	.	.	3	ditto.
" Gowahuttee,	.	.	.	48	ditto, clear.

Should Freight not be ready for shipment on the arrival of the Boat at the several stations, the Commander of the Steamer will have peremptory orders to proceed to the next Station.

Treasure laden on a Boat whose progress is arrested, will be retained on board until the Boat is enabled to proceed to her destination, unless the Consignees holding the Bill of Lading of such Treasure may require its delivery, giving a full acquittance for the Treasure, and receiving such difference of Freight as may have been paid in excess of what would have been charged for conveyance of such Treasure to the place of its delivery.

The Steam Agents at the different Stations make no charge for landing Goods from the Boats into their Godowns; nor for shipping Goods delivered into their Godowns, provided such Goods are not merchandise, intended for traffick, nor animals nor machines for conveyance; for all such they will charge the following rates:

For embarking or landing a Horse, Cow or Bull, Rs. 2.

A Calf, Dog, Sheep, or Goat with or without Kid, Annas 2.

When Goods are consigned to Calcutta, it is optional with Shippers to pay the Freight or to leave the same to be collected on delivery of the Goods. Freight must be paid to the Agent or Commander of the Boat for all Goods shipped away from Calcutta, and not deliverable at Calcutta. And no Packages will be received into the Boat Office for transmission on which Freight is not paid at the time.

CONDITIONS OF SALE.

1st.—The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2d.—The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price; except under the circumstances for which provision is made by Clause 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M.; but if at that hour any of the lots advertised for Sale shall remain unsold, the Sale may at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,610 Chests shall not be sold on the day advertised, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down, shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Wednesday, the 1st December 1847; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all loss and expences whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 1st December 1847, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 1st December, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday the 14th December 1847, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first Purchaser shall further be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the

delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bona fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1.—Certificate of the Opium now advertised for Sale.

No. 2.—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the years 1846-47, the same precautions have been taken as those which have been

observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of the chests indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertised for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity above mentioned, the following quantities more or less of Behar and Benares Opium of 1846-47, will be brought to sale in the present season on or about the dates specified below :

19th.—It is hereby further notified, that under the 6th Article of the convention between Great Britain and France, dated the 7th March 1815, quoted below, the Agents in India of His Majesty the King of the French, or persons duly appointed by them, are entitled to demand that, out of the quantities of Behar and Benares Opium declared as above for sale at the Twelve Sales, in the months of November and December 1847, and January, February, March, April, May, June, July, August, September and October 1848, there shall be delivered to them at the average of the particular Sale or Sales to which the Opium so applied for may belong a quantity not exceeding in the aggregate 500 Chests, and the Agents of the French

Government must make requisition for the whole of the Opium required by them during the season within 30 days after the publication of this advertisement, specifying the particular Sale or Sales from which the quantity of Opium is intended to be taken. If the Agents of the French Government shall not make the requisition for Opium within the time above-mentioned the entire quantity of about 31,315 Chests of Behar and Benares as above estimated will be brought to Sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertized for Sale at each or any of the Twelve Sales above-mentioned, but shall not pay for it within the prescribed period of payment, the Deputy Governor of Bengal reserves to himself the right of disposing of the Opium which the French Authorities may so fail to pay for either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose.

"Art. 6th.—With regard to the Trade in Opium it is agreed between the high contracting parties that at each of the periodical Sales of that Article there shall be reserved for the French Government, and delivered upon requisition duly made by the Agents of His Most Christian Majesty or by the persons duly appointed by them, the number of Chests so applied for, provided that such supply shall not exceed three hundred Chests in each year, and the price for the same shall be determined by the average rate at which Opium shall have been sold at every such periodical Sale, it being understood that if the quantity of Opium applied for at any one time shall not be taken on account of the French Government by the Agents of His Most Christian Majesty within the usual period of delivery the quantity so applied for shall nevertheless be considered as so much in reduction of the three hundred Chests herein before-mentioned; the requisitions for Opium as aforesaid are to be addressed to the Governor General at Calcutta, within thirty days after notice of the intended Sales shall have been published in the Government Gazette."

By order of the Board of Customs, Salt and Opium,

CECIL BEADON, *Offg. Secy.*

General Department.

To W. TAYLER, Esquire,  
*Post Master General, Calcutta.*

SIR,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimat-

ing to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the limited weight of two tolas; and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by the Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters exceeding two tolas in weight, because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 tolas, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, without reference to that limit, and shall continue the practice until I receive orders to the contrary from Government or the Home Authorities.

I have, &c.

#### STEAM to DACCA AND GOWAHUTTEE IN ASSAM.

GOVERNMENT having decided on opening a Steam Communication with Gowahuttee in Assam via Dacca and Serajgunge, notice is hereby given, that the first boats for this line, a Steamer and a Flat, will be despatched on the 13th Proximo; and the communication be continued Monthly for THREE YEARS.

The following Regulations and Rates of Charge for accommodation of Passengers, and conveyance of Goods on the Government Boats employed in the above Navigation, are published for general information :

#### Of Passage.

All applications for Passage on the Government Boats proceeding to Dacca and Assam, must be made at the Boat Office in Calcutta, and all applications for Cabins on the Boats returning from Assam, must be made to the Steam Boat Agent at the nearest place to that of embarkation.

The distance between Calcutta and Gowahuttee is assumed to be 600 miles, and the distance from Calcutta to the different Stations as follows :

Burrisaul,.....	200 Miles.
Dacca, .....	300 "
Seraj Gunge,.....	400 "
Dewan Gunge,.....	450 "
Bugwah,.....	500 "
Gowalpara,.....	550 "
Gowahuttee,.....	600 "

An Accommodation or a Cargo Boat will be employed in this line, as far as Dacca, the Steamer only going on to Gowahuttee until the demand for freight to and from places above Dacca is more than a Steamer can supply. In the first there are 3 classes of Cabins, but there will be no distinction in the charge, and the preference in the selection will be given to those who engage for the longest distances or otherwise, according to priority of application.

To Burrisaul or Dacca the charge will be Seventy-five Rupees, to Gowahuttee One Hundred and Fifty Rupees, or at the rate of Twenty-five Rupees for every 100 miles, of the estimated distance according to which the passage for intermediate distances will be rated.

One Servant is allowed to each Cabin occupied by one person, but if a Cabin be occupied by more than one person, an additional charge will be made of Nine Rupees, which will entitle the Cabin to a second Servant. All other extra Servants will be considered as Deck Passengers, the charge for which will be half an Anna per mile, or Eighteen Rupees Twelve Annas from Calcutta to Gowahuttee; Deck Passengers will pay Eighteen Rupees to Gowahuttee, or half an Anna a mile for any shorter distance.

The charge for passage on return voyages will be the same as above.

Passengers are allowed to carry such Baggage and Cabin Furniture within their Cabins as is necessary for the voyage; and this may include a Piano if required for use during the voyage and not in a packing case: but Pianos in packing cases and all other packages, as cases of Millinery, Saddlery, Glass and Earthen-ware, Beer and Wines, and other Stores, will be stowed in another part of the vessel; and to the extent of half a ton, or 25 cubic feet, be charged for at half the established rate of Freight; all in excess of half a ton will be charged at the full rate of Freight.

Deck Passengers are allowed one Roll of Bedding 2 feet wide, and a box of six cubic feet solid contents.

A Table is provided by the Commander at Four Rupees per Diem for each person, exclusive of Wines and Beer, which if provided by the Commander, are charged at regulated prices, of which a list is exhibited in the Dining Room, and all Refreshments required between the regular meals of Breakfast at  $\frac{1}{2}$  past 8, Biscuit, &c. at noon, Dinner at 3 p. m., and Tea and Coffee in the evening. Persons who provide their own Wines, will pay 3 annas for each cork drawn.

Children who do not come to the Table are provided at One Rupee per day, the same charge is made for Christian Servants.

Mussulman Servants may feed with the Crew, paying a rate of Two Annas per day. Hindoos must provide their own food.

The Passage Money, and a deposit of Four Rupees per day for the estimated term of the voyage, must be paid on engaging a passage, and any surplus of Table Money will be returned, or an additional charge be made by the Commander, as the voyage may fall short of or exceed the time for which the deposit was calculated. Half the Passage Money, and half the Table Money become forfeit by persons who relinquish a passage after having engaged it.

The despatch of Boats will be duly advertized, and if any change in the Boats occurs, Accommodation or Freight engaged for the one advertized, will be assigned on the one substituted.

#### Of Freight.

All Goods intended for shipment on the Government Boats must be sent to the Boat Office, in Church Lane, Calcutta, between the hours of Ten and Four, Sundays, Christmas Days, and Good Fridays excepted.

Goods will not be received for shipment unless they be addressed to a resident at the place at which they are to be delivered from the Boats. The direction must be marked on something not liable to be destroyed by vermin, and from which it may not easily be obliterated. A direction written on a card or marked with ink on a tin box, would be liable to the above objection.

The Boat Office will not be responsible for any damage or loss that may be occasioned by accident to the vessel or other cause whatever, not traceable to negligence or mismanagement of those belonging to the vessel.

All Goods sent to the Boat Office must be accompanied by a note, with suitable direction for the guidance of the Officers of the Department.

Goods not applied for on board the Boat by the Consignee, will be carried on and charged with additional freight, unless addressed to the Steam Agent, in which case they will be delivered to him. It must be understood, however, that although all persons are at liberty to consign their goods to the Steam Agent of the stations at which they are to be landed, the Government is not responsible for such Steam Agent, or for the safety of the goods after the delivery of the same to the Consignee or to his order, whether such Consignee be the Steam Agent or any other person. Goods intended for the final station, if not applied for within 24 hours after the Boat's arrival there, will be delivered to the Steam Agent at the risk of the shipper.

Freight on all Packages, excepting Treasure laden in Calcutta, or for which tonnage is reserved in Calcutta, and which do not exceed in weight 35lbs. per cubic foot, will be charged by the cubic foot.

Packages exceeding thirty-five pounds, or 17½ seers per cubic foot, will be charged by the weight.

Applications for Freight on the Vessel downward must be made to the Steam Boat Agent at Gowahuttee or Seraj Gunge, or at the nearest Station, by letter, describing the Goods to be despatched, their weight and measurement.

The Steam Agent will in reply, name the Boat in which he assigns tonnage, and if from any cause, as damage to the Boat, deviation from her intended voyage on unexpected demand on account of Government, a circumstance likely seldom to occur, the tonnage should be rendered non-available, the party for whom such tonnage has been registered must bear the inconvenience, and he will have no claim for indemnification by assignment of Freight in another Vessel to the detriment of any other person who may have engaged tonnage subsequently to the disappointed party, whose right to tonnage will be limited to such as may be available in the Vessel previously named, but in that Vessel, the claim to such tonnage as may remain available will be acknowledged according to priority of application. Thus the entire tonnage of a Boat may have been assigned in rotation by the Steam Agent to A. B. and C., after which the Government unexpectedly make a demand for more or less, the remaining portion will go to satisfy the claim of A. then of B. &c. The latter applications being thrown out partially or wholly, as the case may be.

The Agent will be instructed to acknowledge the applications made to him for tonnage in the following terms:—"Sir, in reply to your letter of the I beg to say tonnage for chests of Indigo and maunds of Sugar is assigned to you on the Registered No. of application."

Should Freight not be ready for shipment on the arrival of the Boat at the several stations, the Commander of the Steamer will have peremptory orders to proceed to the next Station.

Treasure laden on a Boat whose progress is arrested, will be retained on board until the Boat is enabled to proceed to her destination, unless the Consignees holding the Bill of Lading of such Treasure may require its delivery, giving a full acquittance for the Treasure, and receiving such difference of Freight as may have been paid in excess of what would have been charged for conveyance of such Treasure to the place of its delivery.

The Steam Agents at the different Stations make no charge for landing Goods from the Boats into their Godowns; nor for shipping Goods delivered into their Godowns, provided such Goods are not merchandise, intended for traffick, nor animals nor machines for conveyance; for all such they will charge the following rates:

For embarking or landing a Horse, Cow or Bull, Rs. 2.

And no Packages will be received into the Boat Office for transmission on which Freight is not paid at the time.

Ditto of Benares ditto,..... " 780

CONDITIONS OF SALE.

1st.—The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2d.—The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price; except under the circumstances for which provision is made by Clause 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M.; but if at that hour any of the lots advertised for Sale shall remain unsold, the Sale may at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,610 Chests shall not be sold on the day advertised, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down, shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'clock of the afternoon of Wednesday, the 1st December 1847; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all loss and expences whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 1st December 1847, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'clock of the 1st December, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday the 14th December 1847, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first Purchaser shall further be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the

delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bona fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1.—Certificate of the Opium now advertised for Sale.

No. 2.—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the inventory of the Opium and the Opium for the year 1846-47, the same precautions have been taken as those which have been

observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of the chests indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertised for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity above mentioned, the following quantities more or less of Behar and Benares Opium of 1846-47, will be brought to sale in the present season on or about the dates specified below:

19th.—It is hereby further notified, that under the 6th Article of the convention between Great Britain and France, dated the 7th March 1815, quoted below, the Agents in India of His Majesty the King of the French, or persons duly appointed by them, are entitled to demand that, out of the quantities of Behar and Benares Opium declared as above for sale at the Twelve Sales, in the months of November and December 1847, and January, February, March, April, May, June, July, August, September and October 1848, there shall be delivered to them at the average of the particular Sales or Sales to which the Opium so applied for

may belong, a quantity not exceeding in the aggregate 300 Chests, and the Agents of the French Government must make requisition for the whole of the Opium required by them during the season within 30 days after the publication of this advertisement, specifying the particular Sale or Sales from which the quantity of Opium is intended to be taken. If the Agents of the French Government shall not make the requisition for Opium within the time above-mentioned the entire quantity of about 31,315 Chests of Behar and Benares as above estimated will be brought to Sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertized for Sale at each or any of the Twelve Sales above-mentioned, but shall not pay for it within the prescribed period of payment, the Deputy Governor of Bengal reserves to himself the right of disposing of the Opium which the French Authorities may so fail to pay for either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose.

“ Art. 6th.—With regard to the Trade in Opium it is agreed between the high contracting parties that at each of the periodical Sales of that Article there shall be reserved for the French Government, and delivered upon requisition duly made by the Agents of His Most Christian Majesty or by the persons duly appointed by them, the number of Chests so applied for, provided that such supply shall not exceed three hundred Chests in each year, and the price for the same shall be determined by the average rate at which Opium shall have been sold at every such periodical Sale, it being understood that if the quantity of Opium applied for at any one time shall not be taken on account of the French Government by the Agents of His Most Christian Majesty within the usual period of delivery the quantity so applied for shall nevertheless be considered as so much in reduction of the three hundred Chests herein before-mentioned; the requisitions for Opium as aforesaid are to be addressed to the Governor General at Calcutta, within thirty days after notice of the intended Sales shall have been published in the Government Gazette.”

I. It is hereby enacted, that Act No. XXIV. of 1840, entitled an Act for amending the Law with respect to Rates for municipal purposes within the Town of Calcutta, is repealed.

VI. And it is enacted, that the said taxes according to the rates mentioned in the said Schedule shall be levied quarterly, and that every person who has been the Owner or User of a Carriage or Horse within the said Town during thirty days in any one quarter shall be liable for the taxes of that entire quarter. Provided always that no person who has not been the Owner or User of a Carriage or Horse within the said Town during thirty days in any one quarter shall be liable to any tax in respect of any Carriage or Horse. Provided also that no such tax shall be levied in respect of any Horse, Carriage or Cart in the employment of Government.

The Post Master General having been informed by the Court of Directors of the East India Company, that on and after the 1st June next, persons in this Country may forward private correspondence by the Government Express from Bombay to Calcutta and Madras, all persons desirous of availing themselves of this privilege, will be required to mark upon the covers of their letters the words "By Express from Bombay," and in addition to this special address, it will be necessary, that all letters intended to be forwarded by the way of Southampton, should be so endorsed as hitherto: the postage to be charged in India in the delivery of letters sent by this Express will be in addition to the ordinary Inland rates.

One Rupee for every letter not exceeding half a tola in weight.

Two Rupees for every letter above half a tola, but not exceeding one tola in weight.

NOTICE.—With reference to the London Post Master General's Notification regarding the rates of postage to be charged upon Letters received from Bombay by the Government Express, which was published with a notice from this Office of yesterday's date, the following Letter since received from the Post Master General of Bombay on the subject, is also published for general information.

No. 966 of 1847.

*General Department.*

To W. TAYLER, Esquire,

*Post Master General, Calcutta.*

SIR,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimat-

ing to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the *limited weight of two tolas*; and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by the Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters *exceeding two tolas in weight*, because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail,) for transmission by the post regular dawki, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 tolas, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, *without reference to that limit*, and shall continue the practice until I receive orders to the contrary from Government or the Home Authorities.

I have, &c.

# STEAM TO DACCA AND GOWAHUTTEE IN ASSAM.

GOVERNMENT having decided on opening a Steam Communication with Gowahuttee in Assam *via* Dacca and Serajunge, notice is hereby given, that the first boats for this line, a Steamer and a Flat, will be despatched on the 13th Proximo; and the communication be continued Monthly for THREE YEARS.

The following Regulations and Rates of Charge for accommodation of Passengers, and conveyance of Goods on the Government Boats employed in the above Navigation, are published for general information:

## Of Passage.

All applications for Passage on the Government Boats proceeding to Dacca and Assam, must be made at the Boat Office in Calcutta, and all applications for Cabins on the Boats returning from Assam, must be made to the Steam Boat Agent at the nearest place to that of embarkation.

The distance between Calcutta and Gowahuttee is assumed to be 600 miles, and the distance from Calcutta to the different Stations as follows:

Burrisaul,.....	200 Miles.
Dacca, .....	300 "
Seraj Gunge,.....	400 "
Dewan Gunge,.....	450 "
Bugwah,.....	500 "
Gowalpara,.....	550 "
Gowahuttee,.....	600 "

An Accommodation or a Cargo Boat will be employed in this line, as far as Dacca, the Steamer only going on to Gowahuttee until the demand for freight to and from places above Dacca is more than a Steamer can supply. In the first there are 3 classes of Cabins, but there will be no distinction in the charge, and the preference in the selection will be given to those who engage for the longest distances or otherwise, according to priority of application.

To Burrisaul or Dacca the charge will be Seventy-five Rupees, to Gowahuttee One Hundred and Fifty Rupees, or at the rate of Twenty-five Rupees for every 100 miles, of the estimated distance according to which the passage for intermediate distances will be rated.

One Servant is allowed to each Cabin occupied by one person, but if a Cabin be occupied by more than one person, an additional charge will be made of Nine Rupees, which will entitle the Cabin to a second Servant. All other extra Servants will be considered as Deck Passengers, the charge for which will be half an Anna per mile, or Eighteen Rupees Twelve Annas from Calcutta to Gowahuttee; Deck Passengers will pay Eighteen Rupees to Gowahuttee, or half an Anna a mile for any shorter distance.

The charge for passage on return voyages will be the same as above.

Passengers are allowed to carry such Baggage and Cabin Furniture within their Cabins as is necessary for the voyage; and this may include a Piano if required for use during the voyage and not in a packing case: but Pianos in packing cases and all other packages, as cases of Millinery, Saddlery, Glass and Earthen-ware, Beer and Wine, and other Stores, will be stowed in another part of the vessel; and to the extent of half a ton, or 2½ cubic feet, be charged for at half the established rate of Freight; all in excess of half a ton will be charged at the full rate of Freight.

Deck Passengers are allowed one Roll of Bedding 2 feet wide, and a box of six cubic feet solid contents.

A Table is provided by the Commander at Four Rupees per Diem for each person, exclusive of Wines and Beer, which if provided by the Commander, are charged at regulated prices, of which a list is exhibited in the Dining Room, and all Refreshments required between the regular meals of Breakfast at  $\frac{1}{4}$  past 8, Biscuit, &c. at noon, Dinner at 3 P. M., and Tea and Coffee in the evening. Persons who provide their own Wines, will pay 3 annas for each cork drawn.

Children who do not come to the Table are provided at One Rupee per day, the same charge is made for Christian Servants.

Mussulman Servants may feed with the Crew, paying a rate of Two Annas per day. Hindoos must provide their own food.

The Passage Money, and a deposit of Four Rupees per day for the estimated term of the voyage, must be paid on engaging a passage, and any surplus of Table Money will be returned, or an additional charge be made by the Commander, as the voyage may fall short of or exceed the time for which the deposit was calculated. Half the Passage Money, and half the Table Money become forfeit by persons who relinquish a passage after having engaged it.

The despatch of Boats will be duly advertized, and if any change in the Boats occurs, Accommodation or Freight engaged for the one advertized, will be assigned on the one substituted.

#### Of Freight.

All Goods intended for shipment on the Government Boats must be sent to the Boat Office, in Church Lane, Calcutta, between the hours of Ten and Four, Sundays, Christmas Days, and Good Fridays excepted.

Goods will not be received for shipment unless they be addressed to a resident at the place at which they are to be delivered from the Boats. The direction must be marked on something not liable to be destroyed by vermin, and from which it may not easily be obliterated. A direction written on a card or marked with ink on a tin box, would be liable to the above objection.

The Boat Office will not be responsible for any damage or loss that may be occasioned by accident to the vessel or other cause whatever, not traceable to negligence or mismanagement of those belonging to the vessel.

All Goods sent to the Boat Office must be accompanied by a note, with suitable direction for the guidance of the Officers of the Department.

Goods not applied for on board the Boat by the Consignee, will be carried on and charged with additional freight, unless addressed to the Steam Agent, in which case they will be delivered to him. It must be understood, however, that although all persons are at liberty to consign their goods to the Steam Agent of the stations at which they are to be landed, the Government is not responsible for such Steam Agent, or for the safety of the goods after the delivery of the same to the Consignee or to his order, whether such Consignee be the Steam Agent or any other person. Goods intended for the final station, if not applied for within 24 hours after the Boat's arrival there, will be delivered to the Steam Agent at the risk of the shipper.

Freight on all Packages, excepting Treasure laden in Calcutta, or for which tonnage is reserved in Calcutta, and which do not exceed in weight 35 lbs. per cubic foot, will be charged by the cubic foot.

Packages exceeding thirty-five pounds, or  $17\frac{1}{2}$  seers per cubic foot, will be charged by the weight.

The Steam Agents at the different Stations make no charge for landing Goods from the Boats into their Godowns; nor for shipping Goods delivered into their Godowns, provided such Goods are not merchandise, intended for traffick, nor animals nor machines for conveyance; for all such they will charge the following rates:

Produce of Behar Agency, ..... Chests 1,830  
Ditto of Benares ditto, ..... 780

Total Chests, ... 2,610

CONDITIONS OF SALE.

1st.—The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2d.—The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price; except under the circumstances for which provision is made by Clause 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M.; but if at that hour any of the lots advertised for Sale shall remain unsold, the Sale may at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,610 Chests shall not be sold on the day advertised, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down, shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'clock of the afternoon of Wednesday, the 1st December 1847; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all loss and expences whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 1st December 1847, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'clock of the 1st December, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday the 14th December 1847, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first Purchaser shall further be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order. And it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the

delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bona fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1.—Certificate of the Opium now advertised for Sale.

No. 2.—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the years 1846-47, the same precautions have been taken as those which have been

observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of the chests indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shown to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertised for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity above mentioned, the following quantities more or less of Behar and Benares Opium of 1846-47, will be brought to sale in the present season on or about the dates specified below:

19th.—It is hereby further notified, that under the 6th Article of the convention between Great Britain and France, dated the 7th March 1815, quoted below, the Agents in India of His Majesty the King of the French, or persons duly appointed by them, are entitled to demand that, out of the quantities of Behar and Benares Opium declared as above for sale at the Twelve Sales, in the months of November and December 1847, and January, February, March, April, May, June, July, August, September and October 1848, there shall be delivered to them at the average of the particular Sale or Sales to which the Opium so applied for

may belong, a quantity not exceeding in the aggregate 300 Chests, and the Agents of the French Government must make requisition for the whole of the Opium required by them during the season within 30 days after the publication of this advertisement, specifying the particular Sale or Sales from which the quantity of Opium is intended to be taken. If the Agents of the French Government shall not make the requisition for Opium within the time above-mentioned the entire quantity of about 31,315 Chests of Behar and Benares as above estimated will be brought to Sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertised for Sale at each or any of the Twelve Sales above-mentioned, but shall not pay for it within the prescribed period of payment, the Deputy Governor of Bengal reserves to himself the right of disposing of the Opium which the French Authorities may so fail to pay for either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose.

“Art 6th—With regard to the Trade in Opium it is agreed between the high contracting parties that at each of the periodical Sales of that Article there shall be reserved for the French Government, and delivered upon requisition duly made by the Agents of His Most Christian Majesty or by the persons duly appointed by them, the number of Chests so applied for, provided that such supply shall not exceed three hundred Chests in each year, and the price for the same shall be determined by the average rate at which Opium shall have been sold at every such periodical Sale, it being understood that if the quantity of Opium applied for at any one time shall not be taken on account of the French Government by the Agents of His Most Christian Majesty within the usual period of delivery the quantity so applied for shall nevertheless be considered as so much in reduction of the three hundred Chests herein before-mentioned; the requisitions for Opium as aforesaid are to be addressed to the Governor General at Calcutta, within thirty days after notice of the intended Sales shall have been published in the Government Gazette.”

The following Act is passed by the Hon'ble the President of the Council of India in Council on the 23d of October 1847, with the assent of the Right Hon'ble the Governor General of India, which has been read and recorded.

Ordered, that the Act be promulgated for general information.

ACT No. XVI. of 1847.

*For constituting Commissioners for the improvement of the Town of Calcutta partly by appointment of the Government and partly by election of the Rate-payers.*

Whereas by the 158th Section of the 52d Chapter of the Statute 33, George III., certain powers and duties in regard to the collection and disbursement of the Assessment thereby authorized to be made by the Justices of the Peace within or for the Presidency of Fort William, were conferred and imposed upon the said Justices. And whereas by Act No. XXIV. of 1840, certain changes were made in the Law relating to the said Assessment,

And whereas it is apparent that the Sewerage and Drainage of the Town of Calcutta, and the supply of water for the domestic use of the inhabitants thereof, and for the due cleansing of Drains therein, and the means of providing for the due ventilation of the Town, and the repairing, cleansing and lighting the roads and streets, and the making convenient lines of communication by spacious streets, and the preventing and removing of nuisances, and the due provision of adequate means for the relief of the sick poor in the said Town are very defective, all which cause excessive disease and great mortality. And whereas the

Laws and Regulations now in force, and the pecuniary means applicable to the said objects are wholly insufficient for the remedy of so great a mischief, and whereas it is expedient that remedy should be had herein.

I. It is hereby enacted, that Act No. XXIV. of 1840, entitled an Act for amending the Law with respect to Rates for municipal purposes within the Town of Calcutta, is repealed

II. And it is hereby enacted, that all the said powers and duties in regard to the collection and disbursement of the said Assessments shall from and after the First day of January 1848 cease to be exercised and performed by the said Justices for the Town of Calcutta, and shall be exercised and performed by a Board of Seven Commissioners to be called the Commissioners for the Improvement of the Town of Calcutta, of whom three shall be appointed by the Governor of Bengal, and four shall be elected by the Rate-payers of the Town of Calcutta, that is to say, one by the Rate-payers of each of the following Divisions, viz

or of such other Divisions as the Governor of Bengal may from time to time appoint; or in default of election shall be appointed by the said Governor of Bengal, and any vacancies which may from time to time occur in the situations of any of the Commissioners who shall have been appointed by the said Governor, shall be filled up by the appointment of the said Governor.

III. And it is hereby enacted, that the said Commissioners shall severally receive such Salaries as may from time to time be fixed by the Governor of Bengal, with the concurrence of the Governor General in Council, and that for the exercise and performance of all the powers and duties hereinbefore or hereinafter conferred and imposed upon the said Commissioners, five shall be a quorum. Provided always and it is hereby enacted, that it shall be lawful for any one of the said Commissioners to issue a warrant of Distress for the recovery of any arrears of any rates or taxes accruing under the said 158th Section of the said Statute or under this Act.

IV. And it is hereby enacted, that the time and place and manner of the elections of the said elective Commissioners in each of the said Divisions shall be according to such scheme as shall be agreed upon by a general meeting of the Owners and Occupiers of assessed houses, buildings and grounds in the said Town, consisting of not less than one hundred of the said Owners and Occupiers, and presented on behalf of such meeting to the Governor of Bengal and approved by him. But so as such elections shall take place annually.

Provided always and it is hereby enacted, that if no such general meeting shall be held within one month from the passing of this Act, or if no such scheme shall be presented on behalf of such meeting to the Governor of Bengal within one month after such meeting shall have been held, it shall then be lawful for the said Governor of Bengal to appoint the whole of the said Commissioners.

Provided also and it is hereby enacted, that the scheme shall be laid by the Governor of Bengal before the Governor General in Council for his approbation, and shall not be in force until such approbation shall have been signified in writing.

V. And it is hereby enacted, that the said Commissioners shall from and after the said day have power within the said Town to levy upon the Owners or Users of the several kinds of Carriages, Carts and Horses mentioned in the Schedule to this Act annexed, taxes according to the rates mentioned in the said Schedule, and that the said Commissioners shall have power and discretion to compound with Livery Stable Keepers and other persons keeping Carriages and Horses for hire for an annual rate of tax to be assessed upon the Carriages and Horses in their Establishments in lieu of taxes according to the rates mentioned in the said Schedule.

VI. And it is enacted, that the said taxes according to the rates mentioned in the said Schedule shall be levied quarterly, and that every person who has been the Owner or User of a Carriage or Horse within the said Town during thirty days in any one quarter shall be liable for the taxes of that entire quarter. Provided always that no person who has not been the Owner or User of a Carriage or Horse within the said Town during thirty days in any one quarter shall be liable to any tax in respect of any Carriage or Horse. Provided also that no such tax shall be levied in respect of any Horse, Carriage or Cart in the employment of Government.

VII. And it is hereby enacted, that the assessments and rates made under the authority of the Statute 33 George III. C. 52, Section 158, and of Section II. of this Act, shall be of such amount as together with the amount of the taxes to be levied by the Commissioners under Section V. of this Act, and together with such other funds as may be placed at the disposal of the said Commissioners by the Government of Bengal, shall appear to the said Commissioners expedient for completely effecting the purposes specified in this Act, any thing in the said 158th Section of the said Statute notwithstanding. Provided always, that no rate shall be made exceeding five per cent. on the assessed value of property without the sanction of the Governor of Bengal.

VIII. And it is hereby enacted, that for the assessment and collection of the rates and taxes to be levied by the said Commissioners it shall be lawful for the said Commissioners to appoint such Assessor or Assessors, Collector or Collectors, to make such union of the offices of Assessor and Collector, and to prescribe such rules and take such securities for the due execution of the duties of such Assessors and Collectors as the said Commissioners shall deem expedient, and such Assessors and Collectors shall receive such salaries as the Government of Bengal may see fit to sanction.

IX. And it is hereby enacted, that it shall not be necessary in any assessment rate or warrant of distress under the said Statute, and this Act, to specify the names of the Owners or Occupiers of Houses, Buildings and Grounds; but it shall be sufficient if every property rated be identified, and in the case of Houses numbered in any street, that the name of the street and number of the House rated be particularly specified.

X. And it is hereby enacted, that the Goods and Chattels of the Owners of any Houses, Buildings or Grounds rated under the said Statute, and this Act, shall be seizable any where (except Goods and Chattels concealed as hereinafter mentioned) for deficiency in the payment of rates, and that all Goods and Chattels which shall be found upon any premises rated shall be seizable for any arrears, which may be due for a period of one year immediately preceding such seizure, and in the case of the seizure of the Goods and Chattels of a tenant under such circumstances, such tenant may deduct the amount of the levy from the next payment of his rent.

XI. And it is hereby enacted, that when there is ground to suspect that Goods and Chattels liable to distress under the said Statute, and this Act, are concealed in any Zenana, the Officer charged with the execution of the warrant shall make a special report to the Commissioner granting the same, who shall thereupon follow as closely as is practicable, the rules for the seizure of Goods and Chattels in like cases adopted by Her Majesty's Supreme Court.

XII. And it is hereby enacted, that it shall be lawful for the said Commissioners, and they are hereby required to make rules and as occasion may require to add to, revoke or alter the same, for the regulation of the time and manner of assessing and levying the said taxes, and for compelling persons to give any information which may be necessary for that purpose, and for imposing penalties upon persons not performing any duty cast upon them by the said rules for the said purpose, and upon persons obstructing any persons acting under the said Commissioners in that behalf so as that such penalty shall not in any case exceed 100 Rupees.

XIII. And it is hereby enacted, that such rules shall be laid before the Governor of Bengal and approved by him, and shall then be laid by the said Governor of Bengal before the Governor General in Council, and when approved by him shall have the force of law. Provided always, and it is hereby enacted, that the said taxes shall not be leviable until such rules have been so made and approved.

XIV. And it is hereby enacted, that it shall be lawful for the said Commissioners to levy the arrears of the said taxes and any penalties which may be incurred under the said rules by the same process of distress as is hereinbefore provided for the levying of the aforesaid rates on Houses, Buildings and Grounds.

XV. And it is hereby enacted, that the whole proceeds of the said rates and taxes, after paying all Salaries, Establishments and incidental expenses of the said Commissioners shall, together with such monies as the Government of Bengal with the sanction of the Governor General in Council may direct to be paid over to the said Commissioners, be applied by them to the following purposes, viz.

1. Formation of Tanks and Aqueducts for the conveyance of water to all parts of the town.
2. Opening of Streets and Squares in crowded parts of the Towns.
3. Filling up stagnant pools of water and removing obstructions to the free circulation of air.

No. 966 of 1847.

General Department.

To W. TAYLER, Esquire,

Post Master General, Calcutta.

SIR,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the limited weight of two tolas; and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by the Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters exceeding two tolas in weight, because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail,) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 tolas, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, *without reference to that limit*, and shall continue the practice until I receive orders to the contrary from Government or the Home Authorities.

I have, &c.

Produce of Bchar Agency, .....	Chests 1,830
Ditto of Benares ditto, .....	„ 780

Total Chests, ... 2,610

## CONDITIONS OF SALE

1st.—The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2d.—The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price; except under the circumstances for which provision is made by Clause 12th of the Conditions of Sale

3d.—The Sale shall commence at the hour of 11 A. M. and shall not be continued after the hour of 5 P. M.; but if at that hour any of the lots advertised for Sale shall remain unsold, the Sale may at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,610 Chests shall not be sold on the day advertised, the Board may dispose of the Lots which remain on hand at a future Sale

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down, shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4

o'Clock of the afternoon of Wednesday, the 1st December 1847; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all loss and expences whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 1st December 1847, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 1st December, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 p. m. of Tuesday the 14th December 1847, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first Purchaser shall further be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium, for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1.—Certificate of the Opium now advertized for Sale.

No. 2.—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the years 1846-47, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of the chests indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertised for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs,

Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity above mentioned, the following quantities more or less of Behar and Benares Opium of 1846-47, will be brought to sale in the present season on or about the dates specified below:

19th.—It is hereby further notified, that under the 6th Article of the convention between Great Britain and France, dated the 7th March 1815, quoted below, the Agents in India of His Majesty the King of the French, or persons duly appointed by them, are entitled to demand that, out of the quantities of Behar and Benares Opium declared as above for sale at the Twelve Sales, in the months of November and December 1847, and January, February, March, April, May, June, July, August, September and October 1848, there shall be delivered to them at the average of the particular Sale or Sales to which the Opium so applied for may belong, a quantity not exceeding in the aggregate 300 Chests, and the Agents of the French Government must make requisition for the whole of the Opium required by them during the season within 30 days after the publication of this advertisement, specifying the particular Sale or Sales from which the quantity of Opium is intended to be taken. If the Agents of the French Government shall not make the requisition for Opium within the time above-mentioned the entire quantity of about 31,315 Chests of Behar and Benares as above estimated will be brought to Sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertized for Sale at each or any of the Twelve Sales above-mentioned, but shall not pay for it within the prescribed period of payment, the Deputy Governor of Bengal reserves to himself the right of disposing of the Opium which the French Authorities may so fail to pay for either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose.

"Art. 6th.—With regard to the Trade in Opium it is agreed between the high contracting parties that at each

"of the periodical Sales of that Article there shall be reserved for the French Government, and delivered upon requisition duly made by the Agents of His Most Christian Majesty or by the persons duly appointed by them, the number of Chests so applied for, provided that such supply shall not exceed three hundred Chests in each year, and the price for the same shall be determined by the average rate at which Opium shall have been sold at every such periodical Sale, it being understood that if the quantity of Opium applied for at any one time shall not be taken on account of the French Government by the Agents of His Most Christian Majesty within the usual period of delivery the quantity so applied for shall nevertheless be considered as so much in reduction of the three hundred Chests herein before-mentioned; the requisitions for Opium as aforesaid are to be addressed to the Governor General at Calcutta, within thirty days after notice of the intended Sales shall have been published in the Government Gazette."
